ECO FRIENDLY

Conserving the natural beauty and biodiversity of our coastline is very important to us.

We only use ethically caught seafood and everything we use, even down to the cutlery, is sustainably sourced and biodegradable as much as is possible.

**OPEN ALL YEAR
SEVENTH SEASON**

The Rocketeers were North Berwick's 19th Century equivalent of the superhero - local volunteers who would fire rockets, with rescue lines attached, across the bows of stricken vessels in the Firth of Forth. Their spirit lives on in our modern heroes - the local fishermen who catch and deliver some of the world's finest seafood from the waters right in front of you and which we are delighted to serve in The Rocketeer.

NEW FOR 2018

The Rocketeer will be fully enclosed in glass from May, which will enable us to open in all weather.
